TRIUMPHANT SUCCESS.  
CONSUMPTIVES, remember that it is Thom-  
son's Compound Syrup of Tar and  
Wood Naphtha, which is daily effecting such  
remarkable cures in pulmonary consumption,  
asthma, bronchitis, spitting blood, pain in the  
chest, and all the affections of the lungs, and  
the heart, whooping cough, croup, nervous  
tosses, hives, liver complaint, diseased kidneys,  
&c.

Tar or Naphtha, and purchase of the advertised

ANOTHER WONDERFUL CURE!  
PHILADELPHIA, April 9, 1846.

Last August a year, I caught a violent cold,  
in consequence of getting wet in a shower of rain.  
A circumscribed inflammation of the throat  
ensued, which I treated with various remedies,  
supposing that I should soon get rid of it.  
On the contrary, however, I daily grew worse;  
a violent cough set in, then pain in my breast  
and between my shoulders. I now suffered great  
oppression from the great secretion of purulent  
matter in my lungs. I became greatly alarmed;  
and my friends considered my situation extremely  
critical, the more so as loss of appetite, hectic  
fever, and night sweats rendered me as weak  
as a child, and at last I resolved to try the  
"Thomson's Compound Syrup of Tar and  
Wood Naphtha." I procured one bottle, and ex-  
perienced such much benefit, that I resolved to  
continue its use. It is now six months since I  
commenced using it, and the cure remains perfect.  
I firmly believe this medicine is far superior  
to every other remedy for Consumption of the Lungs.

Albion, and subscribed this 9th day of April,  
1846, before me.

\$500 REWARD.

THE above reward will be paid to any person  
who will restore to her diseased parents  
their daughter, MARY FOX, or one half of said  
reward for such information as will lead to her  
recovery. Said Mary left her school about 5 P. M.  
on the 20th of May, 1847, and since that time has  
not been seen. She is only 15 years of age, 4 feet  
9 inches high, small black eyes, rather thick  
pointing lips, and check small features, pretty and  
quite girlish in appearance. She wore a small  
pink dress, pink and blue; black silk  
cap and apron, black gutta boots, pink silk shawl,  
and green veil; two small black finger rings,  
a gold pencil attached to a black cord, and her hair  
quite short from biting them. It is strongly  
suspected that she has been abducted by a person  
named Michael, alias Martin, formerly prop-  
rietor of a Bowling Saloon, located near No. 202  
Broadway, opposite the Franklin House, who at  
some time from that time from this city, deserting his  
wife and leaving her entirely destitute of support.  
Said Mary is about 28 years of age, no whis-  
kers, fair complexion, and rather genteel appearance.  
He was seen lurking in the neighborhood of her  
school a short time previous, disguised with false  
whiskers.

A sister of Mary, named Margaret, was removed  
by him from a boarding school about the time of  
the abduction, and is supposed to be with them. She  
is described as being very much like Mary, almost  
black skin, grey eyes, prominent eyebrows, a  
small scar on one eyebrow, a small scar on the right  
cheek as if made by small pox, a scar formed by a  
gash upon the end of the nose, nearly an inch in  
length, the tooth next to the first double tooth on  
the left side of the face gone; she is about seventeen  
years of age.

Any information to be immediately communi-  
cated, by telegraph, if possible, to George W. Maitell,  
Chief of Police, New York, who is authorized to  
pay the above reward.
